**The BRAVE & The BULL**

“FORTUNE FAVORS  
THE BRAVE AND THE BULL  
DRIVES IT!”

Established 2004

“Great things happen when we get brave.”

Challenging what is, rethinking what's possible,  
and facing change with confidence.

COLOR is a fundamental, if not essential,  
ingredient and tool we use in our task.

COLOR is the way how your brand expresses itself  
and connects with the consumer.

We will guide you to find the appropriate color(s)  
for your BRAND, to utilize, to CONNECT..!

TheBRAVE & The BULL is a member of the  
PANTONE Color Institute since its foundation.

As your creative partner, we're here to help you  
design the change you want to see in your  
business, together.
