The advertisement features a vibrant scene with a woman in a blue dress riding a dark horse that is rearing up. A black bull stands in the foreground on a grassy hill. A large, detailed red rose is positioned between the horse and the bull. The background shows a blue sky with white clouds and a body of water. The text 'The Brave' is overlaid on the left, 'The Bull' on the right, and 'Brands, Exquisitely Managed' in large red letters at the bottom. A smaller version of the scene is shown in a white box in the top right, and a Pantone color swatch for 'Viva Magenta' is in the bottom right.

Our honeymoon was special. We stayed in this magnificent house on the shores of the **Bosphorus**. I love her more with every passing day, and what days we had! We went for day-long excursions, boat rides, shopping sprees, gourmet dinners and then long walks at night in the beautiful gardens. Wherever we went, people greeted us with **genuine friendliness** and offered us their traditional hospitality. *What a magical place Turkey is - we could stay here forever!*
